

SAVE ^{UP TO} 20%* ON *FAST FLEET* PALLET JACKS

High upfront costs and long lead times can stall your business growth. With our **Fast Fleet** line of in-stock, low-hour forklifts, you can expand your fleet and increase your productivity while taking advantage of our lowest pricing of the year.

THE *FAST FLEET* DIFFERENCE

Immediate Availability: These units are in-stock and ready for delivery, so you can put them to work right away.

Reliable Quality: All units have very low hours, and come with a 1-year warranty for your peace of mind.

Save Thousands: Protect your budget with significant discounts versus brand new equipment.

*Discounts are limited to qualifying in-stock equipment and offers vary by model. Not all models are eligible for discounts. Exclusions and limitations apply. Offers end Dec. 31, 2025. Please contact your local Equipment Depot branch for specific details and available offers in your region. **Please consult a qualified tax professional to determine if your business purchases are eligible for Section 179 deductions and whether or not taking the full deduction in the first year makes sense for your business.
